Dear Mr. Rowley:

Re: Amended Notice of Intention to Commence Small Mining operations, Bullseye Project, S/023/031 and Notice to Commence Exploration Activities, Buckskin I and II/Bandstone I, II and III, E/023/056, Juab County, Utah

Thank you for forwarding the Notice of Intention to Commence Small Mining Operations for Edwin P. Lister's Bullseye Project, located in Section 33, T14S, R11W, Juab County, Utah. Your agency's designated number for this project is UT-054-92-21N. This was a former Exploration project which we have recategorized as a Small Mining Operation. This decision was made because the operator's amended notice indicates that continued mining and removal of ore is taking place annually, as opposed to a short term exploration project. We will forward a Small Mining Operation Notice of Intention to Mr. Lister under separate cover asking that he complete the Small Mine Notice and return it to this office for processing. We will provide you with a copy of this notice once it has been determined complete.

Your letter also forwarded another amended Notice of Intention for Mr. Lister's Buckskin I & II/Bandstone I, II and III exploration project. The location for this exploration project is Section 34, T14S, R11W, Juab County. Your agency's designated number for this exploration project is UT-054-92-22N.

This letter is to inform you that the Division has evaluated the above mentioned Notices for completeness. The Notices meet the requirements of Rule R647-3 and R647-2 of the 1988 Division of Oil, Gas and mining Minerals Rules, and Title 40-8 et seq of the Utah Mined Land Reclamation Act of 1975.

It is understood that your office, acting as "Lead Agency" will notify the operator accordingly. Please provide us with a final copy of your completeness letter to the operator.

Thank you for your cooperation. If you receive further information or amendments for these operations, please notify us so we will be able to update our files. Please reference our designated file number S/023/031 for the Bullseye project and E/023/056 for the Buckskin/Bandstone project when forwarding additional information on these projects to us.

Sincerely,

A handwritten signature in cursive script, reading "D. Wayne Hedberg".
